Re: Application of Coastal Carrier Moving and Storage Grand Strand, Incorporated for a Class E (Household Goods) Certificate of Public Convenience and Necessity
Docket No. 2004-26-T

Dear Ms. Boyd:

This letter is to advise the Commission that the Office of Regulatory Staff does not oppose Coastal Carrier Moving and Storage Grand Strand, Inc.'s ("Coastal") Motion for Expedited Review of the Application filed on June 27, 2019. The motion accurately states that the applicant has filed an affidavit indicating compliance with the publication requirement, a shipper witness affidavit, and that no parties oppose the application. Coastal has been operating in Horry, Georgetown, and Marion Counties without complaints since 2004, and ORS does not oppose waiving the hearing for statewide authority.

This letter also serves as notification that the ORS Transportation Department has reviewed Coastal's application to amend its tariff and determined that the company is in compliance with all applicable Commission rules and regulations. The ORS Impact Study for Coastal is detailed below.

ORS Impact Study Results

1. Exhibit A includes a calculation of the percentage increase/decrease in the proposed tariff.
2. ORS conducted a compliance review of Coastal on May 29, 2019. ORS scheduled a follow-up compliance review for July 3, 2019 as a result of several deficiencies. After the follow-up compliance review, ORS determined Coastal to be in compliance with all Commission rules and regulations.

July 10, 2019

3. ORS has not received any consumer complaints related to Coastal in the past 12 months.
4. Coastal is in compliance with Annual Report and Gross Receipt filing requirements.
